Bhaikot, Rawind, District Lahore, Punjab.

## Chief Executive's Review

I am pleased to present the unaudited financial statements for the period ended 31 March 2019.

For the period under review, earnings after tax are Rs. 353.849 million and earnings per share of Rs. 9.65. Net sales of the company were recorded at approximately Rs. 10.223 billion, primarily due to full impact of the sales of our new spinning unit. Distribution costs were lower than the corresponding period due to a reduction in exports. Administrative costs were higher by about 12% due to normal inflationary pressures. Financial charges have increased significantly as a result of higher borrowing costs with an increase in the discount rate of almost 2% and higher cotton costs compared to the previous period.

The cotton crop in Pakistan once again fell far short of targets and the industry was compelled to import cotton. In spite of the expected shortfall, the government did not remove the import duty and sales tax on cotton imports till 01 February 2019. The majority of the industry was not able to take advantage of lower cotton prices due to these import restrictions. Even now the import duty and sales tax have been removed till 30 June 2019 and we can expect same to be re-imposed. It is absolutely essential that a free import/export policy be maintained in raw cotton. The grower will be able to get international prices, as domestic cotton will remain at export parity.

### Future Prospects

The demand for yarn and fabric started to firm up during the latter part of the period under review. Raw cotton prices in Pakistan and the rest of the world have become strong and there is good demand for yarn and fabrics. Due to a sharp adjustment in the exchange rate, the value added sector has become competitive compared to the region and consequently has seen increased activity leading to higher domestic prices. The exchange rate adjustment has also made imported yarn more expensive leading to higher demand for local yarn. We expect that the export demand should pick during the last quarter as we expect better demand from China and other countries. Form China and other countries is starting to show improvement with higher price points. The government support in reducing energy prices for the textile sector has been an important factor in improving performance of the textile sector.

If the fiscal and monetary stability is maintained, we expect a better performance in the last quarter.

We understand the need to keep a stringent watch on our cost of production in order to remain competitive. Rising input costs are a big challenge and it is imperative to reduce these costs as much as possible through better efficiencies and financial management.

The company continues to examine avenues for diversification in both the textile and other sectors. We will keep our stakeholders apprised of further developments in this regard.

### Acknowledgements

We would take this opportunity to thank all our shareholders and partners for their valued support and our employees for their dedication. We would also like to thank the Board of Directors for their valuable insight and guidance.

**Nadeem Maqbool**

## چیف ایگزیکٹو کا جائزہ

میں 31 مارچ 2019 کو ختم ہونے والی مدت کے لئے غیر نظر ثانی شدہ مالیاتی گوشوارے پیش کرتے ہوئے خوشی محسوس کر رہا ہوں۔

زیر جائزہ مدت کے لئے ٹیکس کے بعد آمدنی 353.849 ملین روپے اور 9.65 روپے فی شیئر آمدنی حاصل ہوئی۔ کمپنی کی خالص فروخت ہمارے نئے سپننگ یونٹ کی فروخت کے کلی اثرات کے سبب تقریباً 10.223 بلین روپے درج کی گئی۔ ڈسٹری بیوشن اخراجات برآمدات میں کمی کے باعث گزشتہ سال کی اسی مدت سے کم تھے۔ انتظامی اخراجات معمول کے افراط زر کے دباؤ کی وجہ سے تقریباً 12% زیادہ تھے۔ گزشتہ مدت کے مقابلے ڈسکاؤنٹ شرح تقریباً 2% بڑھنے کی وجہ سے قرضہ کی قیمتوں میں اضافہ اور کپاس کی زیادہ قیمتوں کے نتیجے مالیاتی چارجز نمایاں طور پر زیادہ ہوئے۔

پاکستان میں کپاس کی فصل ایک بار پھر ہدف سے نیچے رہی اور صنعت کپاس درآمد کرنے پر مجبور تھی۔ متوقع بحران کے باوجود، حکومت نے یکم فروری 2019 تک کپاس کی درآمد پر درآمدی ڈیوٹی اور سیلز ٹیکس ختم نہیں کیا۔ صنعت کی اکثریت ان درآمدی رکاوٹوں کی بدولت کپاس کی کم قیمتوں سے مستفید ہونے کے قابل نہیں۔ اگرچہ اب 30 جون 2019 تک درآمد ڈیوٹی اور سیلز ٹیکس ختم کیا گیا ہے اور ہم اس کے دوبارہ عائد ہونے کی توقع کر سکتے ہیں۔ یہ بہت ہی ضروری ہے کہ خام کپاس میں فری درآمد / برآمد پالیسی برقرار رہنی چاہئے۔ کاشتکار بین الاقوامی قیمتیں حاصل کرنے کے قابل ہونگے، کیونکہ مقامی کپاس برآمد مساوی رہے گی۔

### مستقبل کے امکانات:

یارن اور فیبرک کی طلب زیر جائزہ مدت کے باقی حصہ کے دوران بڑھنا شروع ہوئی۔ پاکستان اور دنیا کے دوسرے ممالک میں کام کپاس کی قیمتیں مستحکم ہو گئی ہیں اور یارن اور فیبرک کی طلب بہتر ہو گئی ہے۔ زرمبادلہ کی شرح میں تیز ایڈجسٹمنٹ کے باعث، ویلیو ایڈڈ سیکٹر ریجن کے مقابلے میں مسابقتی بن گیا ہے جس کے نتیجے مقامی قیمتوں کو بڑھانے والی زیادہ سرگرمی دیکھی گئی ہے۔ زرمبادلہ کی شرح ایڈجسٹمنٹ نے درآمدہ یارن کو مزید مہنگا کر دیا جس وجہ سے مقامی یارن کی طلب زیادہ ہو گئی۔ ہم امید کرتے ہیں کہ آخری سہ ماہی کے دوران برآمدی طلب بڑھنی چاہئے کیونکہ ہم چین اور دیگر ممالک سے بہتر طلب کی توقع کرتے ہیں۔ چین اور دیگر ممالک سے اعلیٰ قیمت پوائنٹس کے ساتھ بہتری ظاہر ہونا شروع ہو گئی ہے۔ ٹیکسٹائل سیکٹر کے لئے بجلی کی قیمتیں کم کرنے میں حکومتی مدد ٹیکسٹائل سیکٹر کی کارکردگی کو بہتر بنانے میں ایک اہم عنصر رہا ہے۔ اگر مالیاتی اور مانیٹری استحکام برقرار رہا تو، ہم آخری سہ ماہی میں بہتر کارکردگی کی توقع کرتے ہیں۔

ہم مسابقتی رہنے کے لئے اپنی پیداوار کی لاگت پر کڑی نگرانی رکھنے کی ضرورت کو سمجھتے ہیں۔ ان پٹ لاگتوں میں اضافہ ایک بڑا چیلنج ہیں اور بہتر صلاحیتوں اور مالی انتظامات کے ذریعے جتنا زیادہ ممکن ہو سکے ان اخراجات کو کم کیا جانا بہت ضروری ہے۔

کمپنی ٹیکسٹائل اور دیگر سیکٹرز دونوں میں تنوع کی راہوں کا مسلسل معائنہ کرتی ہے۔ ہم اس سلسلہ میں اپنے اسٹیک ہولڈرز کو مزید ڈیٹیلیمنٹس سے مطلع کرتے رہیں گے۔

### اظہار تشکر

ہم اپنے تمام شیئر ہولڈرز اور پارٹنرز کی قابل قدر حمایت اور اپنے ملازمین کی لگن کا شکریہ ادا کرتے ہیں۔ ہم بورڈ آف ڈائریکٹرز کی قابل قدر بصیرت اور رہنمائی کے بھی شکر گزار ہیں۔

CHIEF EXECUTIVE OFFICER

DIRECTOR

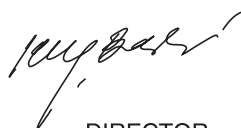

CHIEF FINANCIAL OFFICER

## Selected Notes To The Interim Financial Information (Un-Audited)

For The Period Ended March 31, 2019

### 1. THE COMPANY AND ITS ACTIVITIES

'Suraj Cotton Mills Limited (the Company) was incorporated in Pakistan as a public limited company under the Companies Act, 1913 (now Companies Act, 2017), and is listed on Pakistan Stock Exchange Limited. The Company is engaged in the manufacturing, sale and trading of yarn, cloth and processing of cloth. Registered Head Office of the Company is situated at 7-B-III, Aziz Avenue, Gulberg-V, Lahore.

'The Company is currently operating the following four business units:

- One spinning unit located at Karachi - Hyderabad Motorway, Noori Abad, Jamshoro, Sindh.
- One spinning unit located at 4-KM. Raiwind Manga Road, Raiwind, Punjab.
- One spinning unit & one weaving unit, both located at Shahkot, Punjab.

### 2. STATEMENT OF COMPLIANCE

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and

Provisions of and directives issued under the Companies Act, 2017.

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

### 3. BASIS OF PREPARATION AND CHANGES TO THE COMPANY'S ACCOUNTING POLICIES

**3.1** These condensed interim financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the annual financial statements as at 30 June 2018.

**3.2** The accounting policies and method of computation adopted in the preparation of the interim financial statements are consistent with those followed in the preparation of the Company's annual financial statements for the year ended 30 June 2018, except for the adoption of new standards effective as of 1 July 2018 as notified by Security and Exchange Commission of Pakistan (SECP). The Company has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

The Company applies, for the first time, IFRS 15 Revenue from Contracts with Customers. As required by IAS 34, the nature and effect of these changes are disclosed below.

#### 3.2.1 IFRS 15: Revenue from Contracts with Customers

IFRS 15 supersedes IAS 11 Construction Contracts, IAS 18 Revenue and related Interpretations and it applies to all revenue arising from contracts with customers, unless those contracts are in the scope of other standards. The new standard establishes a five-step model to account for revenue arising from contracts with customers. Under IFRS 15, revenue is recognized at an amount that reflects the consideration to which the Company expects to be entitled in exchange for transferring goods or services to a customer.

The standard requires companies to exercise judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract.

The Company is in the business of selling yarn and grieger fabric locally and also in the international markets. Yarn and grieger fabric are sold both on their own in separately identified contracts with customers and together as a bundled package of goods.

## Selected Notes To The Interim Financial Information (Un-Audited)

For The Period Ended March 31, 2019

**a) Sales of goods:**

The Company's contracts with customers for the sale of goods generally include one performance obligation. The management has concluded that revenue from sale of goods should be recognized at the point in time when control of the goods is transferred to the customer, generally on delivery of the goods. Therefore, the adoption of IFRS 15 did not have an impact on the recognition of local and export sales.

**b) Presentation and disclosure requirements**

As required for the interim financial statements, the Company disaggregated revenue recognized from contracts with customers into categories that depict how the nature, amount, timing and uncertainty of revenue and cash flows are affected by economic factors. The Company also disclosed information about the relationship between the disclosure of disaggregated revenue and revenue information disclosed for each reportable segment. (Refer to Note 15).

### **3.2.2 Standards, Interpretations and Amendments to Approved Accounting Standards that are not yet effective**

The following standards, amendments and interpretations with respect to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard or interpretation:

<b>Standard or Interpretation</b>	<b>Effective Date (Annual periods beginning on or after)</b>
IFRS 16 – Leases	01 January 2019
IAS 19 - Plan Amendment, Curtailment or Settlement (Amendments)	01 January 2019
IAS 28 - Long-term Interests in Associates and Joint Ventures – (Amendments)	01 January 2019
IFRIC 23 Uncertainty over Income Tax Treatments	01 January 2019
IFRS 10 Consolidated Financial Statements and IAS 28 Investment in Associates and Joint Ventures - Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendment)	Not yet finalized
IAS 28 - Long-term Interests in Associates and Joint Ventures – (Amendments)	01 January 2019
IAS 1 and 8 Presentation of Financial Statements and Accounting Policies, Changes in Accounting Estimates and Errors: Definition of Material, to clarify the definition of material and its alignment with the definition used in the Conceptual Framework (Amendments)	01 January 2019
	<b>(Annual periods ending on or after)</b>
IFRS 9 – Financial Instruments*	30 June 2019

\* The SECP has modified the effective date of application of IFRS 9 in place of IAS 39, through SRO. 229 (I)/2019, dated: 14 February, 2019, as reporting period / year ending on or after June 30, 2019.

## Selected Notes To The Interim Financial Information (Un-Audited)

For The Period Ended March 31, 2019

The above standards and amendments are not expected to have any material impact on the Company's financial statements in the period of initial application. However, for IFRS 9 Company's exception is based on an initial assessment made by the management.

Further, the following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan:

Standard	IASB effective date (Annual periods beginning on or after)
IFRS 14 – Regulatory Deferral Accounts	01 January 2016
IFRS 17 – Insurance Contracts	01 January 2021

#### 4 ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of condensed interim financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amount of assets and liabilities, income and expenses. Actual results may differ from these estimates. The significant judgments made by management in applying the Company's accounting policies and the key sources of the estimation are the same as those that applied to the financial statements for the year ended 30 June 2018.

## Selected Notes To The Interim Financial Information (Un-Audited)

For The Period Ended March 31, 2019

### 24. OPERATING SEGMENT INFORMATION

The textile sector comprises of spinning, combing, weaving, dyeing, bleaching, printing, stitching, buying, selling and dealing in yarn, cloth and other goods and fabrics made from raw cotton and synthetic fiber(s). This sector also includes power generation facilities which provide electricity for internal consumption purposes.

#### 24.1 BUSINESS SEGMENTS

For management purposes, Suraj Cotton Mills Limited is organized into business units based on their products and services and has two reportable operating segments as follows:

Spinning: Production of different quality of yarn using natural and artificial fibers.

Weaving: Production of different quality of greige fabric using yarn.

No operating segments have been aggregated to form the above reportable operating segments.

Management monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on operating profit or loss and is measured consistently with operating profit or loss in the consolidated financial statements.

Transfer prices between operating segments are on arm's length basis in a manner similar to transactions with third parties.

For The Period Ended March 31, 2019

### 26 FINANCIAL RISK MANAGEMENT

#### 26.1 Financial risk of factors

Financial instruments comprise long term financing, liabilities against assets subject to finance lease, trade and other payables, accrued interest on financing, short term borrowings, investment in joint venture, long term deposits, trade debts, loans to employees, trade deposits, other receivables, available for sale investments, held for trading investments and cash and bank balances,

The Company has exposure to the following risks from its use of financial instruments:

- Market risk
- Credit risk
- Liquidity risk

The Board of Directors has the overall responsibility for the establishment and oversight of Company's risk management framework. The Board is also responsible for developing and monitoring the Company's risk management policies.

The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to react to changes in market conditions and the Company's activities.

#### 26.2 Fair values of financial assets and liabilities

Fair value of financial assets classified as available for sale investments is derived from quoted market prices in active markets, if available. Fair value of unquoted equity instruments financial assets is estimated using appropriate valuation techniques. The carrying values of other financial assets and financial liabilities reflected in financial statements approximate their fair values. Fair value is determined on the basis of objective evidence at each reporting date.

##### Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

**Level 1:** quoted (unadjusted) prices in active markets for identical assets or liabilities.

**Level 2:** other techniques for which all inputs which have a significant effect on the recorded fair value are observable either, directly or indirectly.

**Level 3:** techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

As at 31 December 2018, the Company hold the following financial instruments carried at fair value on the statement of financial position:

	MAR 31, 2019	Level 1	Level 2	Level 3
			(Rupees in thousands)	
<b>Assets measured at fair value</b>
